

COOPERATIVE HALL OF FAME NOMINATION FORM

If you are considering nominating someone for induction into the Cooperative Hall of Fame, please contact the Cooperative Development Foundation at 202-442-2302 before proceeding. The Cooperative Hall of Fame is a year-long process of nomination, selection, fundraising, logistics, and induction.

I. BACKGROUND

Induction into the Cooperative Hall of Fame is the highest honor that the U.S. cooperative community bestows on the extraordinary men and women who have made **GENUINELY HEROIC** contributions in support of the cooperative form of enterprise.

What's heroic? Consult the guide that identifies many of the "Qualities of a Co-op Hero". You will see these heroic qualities in the lives and careers of those who already have been inducted (www.heroes.coop). You also will recognize these qualities in the accomplishments of some of your colleagues...those who you are now thinking about nominating to the Cooperative Hall of Fame.

No single path. The stories of those on the Cooperative Hall of Fame roster demonstrate that there is no single path to induction in the Cooperative Hall of Fame. The roster – present and future – is a place for individuals with widely differing experiences and from all cooperative sectors:

- **Some are volunteers, while others are public officials or leaders of cooperative organizations**
- **Some are honored at the end of their careers or posthumously, while others are honored at the mid-points of their careers with years of service and accomplishment ahead of them**
- **Some are working locally or regionally and others are working nationally or internationally**

What they share. What they all have in common is a belief in the cooperative idea and a track record of accomplishments that have benefited the cooperative community. Individually and collectively, they have enhanced and advanced cooperative enterprises, empowered people through their association with cooperatives, and contributed to the broader acceptance of the cooperative model in the United States and around the world. We are honored to have them as members of the Cooperative Hall of Fame.

1. Demonstrated statesmanship, innovation, personal commitment, leadership, and vision beyond the professional competence and requirements of the position for which he/she was employed to serve within the cooperative sector. If nominee served as a volunteer, please indicate how he/she demonstrated the same leadership qualities to advance the cooperative form of enterprise.

V. LETTERS OF ENDORSEMENT

Please attach not fewer than three and not more than 10 letters of endorsement that address one or more of the selection criteria. They should be from people who have a professional and/or personal relationship with the nominee. If more than 10 letters of endorsement are received; CDF will ask the nominator to choose which 10 to include in the official nomination package. Letters of endorsement received after the deadline will not be considered for that year; however, they will be held over for the next year if the nomination is still in the selection pool.

COOPERATIVE HALL OF FAME

America's Legacy of Cooperation

Established in 1974 by the National Cooperative Business Association, the prestigious Cooperative Hall of Fame serves to honor those distinguished individuals whose contributions to cooperative business have been genuinely heroic. Inductees are selected for their genuinely heroic contributions to the cooperative idea and to the advancement of the principles of cooperation and cooperative enterprise in the United States and around the world. The stories of the inductees can be read at the Hall of Fame website, www.heroes.coop. Induction videos for some of the more recent inductees also can be viewed at the website.

The Cooperative Hall of Fame is housed in the National Cooperative Business Association in Washington, D.C., where a permanent collection of commemorative plaques tells of the contributions made by each cooperative leader selected for the Hall of Fame. The administration of the Cooperative Hall of Fame is entrusted to the Cooperative Development Foundation.

It is a distinct honor to be inducted into the Cooperative Hall of Fame and inductees are limited to a prestigious group that is carefully selected to preserve the significance of this special recognition. Nominations are received annually from the cooperative community and reviewed by a screening and a selection committee, each composed of current leaders from the various sectors of the U.S. cooperative movement. The Cooperative Hall of Fame induction ceremony is also a major fundraising event for the Foundation. It is fitting that the occasion that bestows this high honor on individuals who have selflessly given of their lives to promote cooperatives, is also a vehicle to raise funds to perpetuate their work and their life-long commitment to the cooperative community.
